

Big Benefit - Adult Individual Registration

Includes Insurance for Players – Don't Get Caught without Insurance!

What is Individual Registration?

As the National Governing Body for the sport of softball, USA Softball is committed to the goal of providing accident and liability insurance for all participants in the adult and youth programs. Only adult leagues can individually register and they must register all the teams in their league.

The ID card serves three purposes

1. Indisputable proof of age
2. Signature and photo ID card
3. Proof of Insurance

Additional benefits and information regarding Individual Registration:

- ◆ Each player who registers online will be covered for insurance purposes. The liability limit is \$2,000,000 per occurrence and \$5,000,000 aggregate per team for USA Softball liability plans, plus more! Coverage follows the individual throughout the calendar year for all USA Softball activities, even if the player changes to another USA Softball team.
- ◆ The team coach/manager will register players on their team online at the **NEW URL:**
RegisterUSASoftball.com
- ◆ Allows for a team to import their own database and upload pictures. At the end of the registration process, an invoice will be produced on behalf of USA Softball of Metro Detroit. Payment must then be sent to the Metro Detroit designated address.
- ◆ Once USA Softball of Metro Detroit receives the check from the team, a Metro Detroit representative will review the submittal and make any corrections/adds/deletes and then APPROVE.
- ◆ Once approved, Register USA Softball will send the ID cards to the coach. Each registrant receives one (1) ID card with their name, insurance deductible printed on the card, and information on insurance coverage including number to call in case of an accident claim. Options are listed below (*cost is per person*):
\$500 deductible \$18 pp for a non-photo ID

Beginning in January of 2018, a liability insurance premium will be included in the USA Softball of Metro Detroit adult team registration fee. Unlike the General Liability insurance, Excess Accident insurance is not built into USA Softball Registration. The purchase of Excess Accident insurance remains a voluntary purchase for teams and leagues in 2018 at a standard rate of \$200 per team across the country. A single team may purchase the coverage, or an entire league. This \$200 per team premium represents the lowest premium charge in years for the Excess Accident insurance offered by USA Softball.

Cost Comparisons:

- If a team purchases USA Softball team insurance w/ a \$500 deductible - \$478; plus \$31 MDASA team registration fee = **\$509 per team**. Rates are \$275 less expensive if entire league takes this policy.
- 13-member team x \$18 per player = **\$234** for Individual Registrations **(SAVES MONEY!)**
