

USA Softball of Metro Detroit 2017 Umpire Registration Information

NEW for 2017...All umpires must register online at: www.RegisterUSASoftball.com
If you were registered in 2016, you have a user name, password, and member ID number. DO NOT CREATE a new profile. If you have any questions, please email dmtroshak@yahoo.com. If you are a new umpire, you will need to create a profile and follow the steps for registration. Once you register online, you will be able to input information to start a background check immediately – ALL umpires must have an annual background check.

Registration includes USA Softball affiliation, liability insurance, rulebook, bat ring, background check, and instruction in our educational program. Participation in an umpire school or seminar is a requirement for USA Softball tournament assignments. All sessions provide instruction in rules and game management. Schools also present drills to develop plate and base umpire skills.
